Dear Mr. Gooding:

We received your information concerning the asbestos materials manufactured by W.R. Grace (WRG). Also, we reviewed the document from Western Mineral Products Company showing Bethesda Hospital on the list of buildings getting products in October of 1966. Therefore, please include us in the pursuit of this class action lawsuit against W.R. Grace.

As stated in your letter we are to incur no costs related to this lawsuit.

I will provide all the information you requested however, if more please do not hesitate to call me.
